

The Charterhouse Chapel

This beautiful light-filled space was originally the chapterhouse of the monastery where monks met every week to discuss matters of the day.

It then became a fine example of a Jacobean chapel later including the extraordinary memorial to the charity's founder Thomas Sutton.

With ornate wooden carving throughout, the chapel is full of historical architectural detail and has excellent acoustics. A fascinating and uplifting environment for concerts, talks, and special services.

Capacity
Seated dinner 200
